ACCOUNTANT/LOGISTICS – GRAIN

Job Description

We are seeking the right person to fill a position at our Grain Merchandising Office in London, Ontario. The position will entail processing both inbound and outbound loads of grain for several of our grain handling facilities as well as general accounting duties within our office.

Job Summary

Prior experience in servicing producers, commodity contracting, and grain accounting is preferred. The successful candidate must have a proven track record of attention to detail, strong accounting skills, and the ability to independently solve complex problems.

Job Requirements

Adapt to new technology

Effectively communicate both verbally and in writing

Prioritize and manage conflicting demands

Respond quickly in a dynamic and changing environment

Ability to work individually as well as part of a team

Proficient in Microsoft Office programs (including Word, Excel, and PowerPoint)

Interested candidates may forward a resume with covering letter to:
